REVENUE MEMORANDUM CIRCULAR NO. 47-2024

SUBJECT : Contest for the Design of New BIR Logo

TO : All Revenue Officials and Employees
All Interested External Stakeholders (Individuals)

Since the establishment of the Bureau of Internal Revenue (BIR) in 1904, the revenue service has undergone several changes/transformations – from its ever increasing annual collection goal, re-structuring of its organization, increasing number of offices and personnel, and the manner by which revenue officers deliver taxpayers service (from manual to automated to online).

It is in the light of the said changes/transformation that the BIR needs also to change its institutional symbol, the BIR Logo, to make it more representative of the directions of the current administration, which are geared towards delivery of excellent taxpayer service through modernization and digitalization of core processes and frontline services, as the Bureau performs its “mission of collecting taxes through just enforcement of tax laws” guided by its principle of “service excellence with integrity and professionalism”.

To change the design of the BIR Logo, a Contest is hereby announced wherein all revenue officers and external stakeholders (individuals) are invited to submit their proposed design of the new BIR Logo that shall depict the Bureau’s directions, as stated above, while still keeping the elements of the agency’s mandate of revenue generation.
